- Equipment / Machine Installations

Introduction

Welcome to the team of **Khamis Al-Sharjah [KSC]**, where we pride ourselves on meeting the needs of our customers with a fresh approach to the delivery of world class solutions.

With our extensive expertise across our business unit, our clients are assured of on time delivery within budget and according to specification.

We continue to harness our success by focussing on our strategic objectives:

- Delivering our clients' requirements
- Driving our operational and capital efficiencies
- Growing our core businesses
- Investing in our technological capabilities

Established in **1989**, Our team's continued success will benefit you, our customer because our integrated capabilities spanning the entire construction lifecycle ultimately translates into your project success.

KSC with its strong commitment to time and quality has engaged qualified and result oriented professionals in different disciplines of Civil, Interior and Electro-Mechanical works. Methodical and gainful approach with rational planning and management controls are key objectives to **KSC**'s style of work and success.

KSC undertakes turnkey construction of a wide range of factory structures. Projects are executed using the cutting edge technology, sophisticated construction equipment and project management tools for quality, safety and speed.

HEALTH AND SAFETY

At **Khamis Al-Sharjah**, we give our highest priority to Health & Safety. The HSE policy enunciated by the Management lays emphasis on Environment, Health and Safety through a structured approach and well defined practices. Systems and procedures have been established for implementing the requisites at all stages of construction and they are accredited to the International standards.

KSC has an HSE policy within our Code of Business Conduct that establishes a company-wide practice of setting and maintaining the highest possible safety standards. This objective not only keeps our employees safe, but ensures our customers can be confident that their projects will be completed with an emphasis on safety excellence. **KSC** works with all of its employees to make certain they complete their responsibilities while complying with all applicable laws, industry standards and the company's strong policies and procedures relating to workplace safety.

Our Safety Policy States:

- **KSC** 's top priority remains the wellbeing of its employees, those the company serves and the public.
- **KSC** 's Health, Safety and Environment objectives are given equal value with other business objectives and will never be compromised.
- Every **KSC** employee is made aware of the requirements of our Health, Safety and Environment policy. Those policies are reflected in individual actions as well as processes and procedures employed throughout **KSC**.
